

DAYDREAMER ARMCHAIR : PASSE-PARTOUT TO DREAM OF

This innovative side chair is the latest addition to the Daydreamer line. Thanks to its light weight, this comfortable eye-catcher can easily double as a mobile extra seat. The central swivel foot makes it easy to get in and out of and provides dynamic seating comfort. Its timeless-contemporary and organic design makes this seat a passe-partout for every interior.

Joachim Nees

After Joachim Nees (1967) completed his studies in industrial design at the University in Darmstadt he went to work as a furniture designer. In his work he attaches particular value to the quality and materials. Defender of the principle that 'form follows function', the future user is the central point in his creations, many of which have received major Design Awards.
